

DIGESTIVE FORMULA

Advanced Digestive Enzyme*

Digestive Formula is a comprehensive, chewable vegetarian formulation designed to support digestive tract health and nutrient absorption in people of all ages.

Digestive Formula:

- Contains non-dairy probiotics and a broad spectrum of digestive enzymes.
- Provides beneficial amylase, bromelain, lactase, lipase, protease and cellulase. (guaranteed at expiration date)
- Offers a complete spectrum of microorganisms to span the entire GI tract along with digestive enzymes to aid in nutrient absorption. **Digestive Formula** is designed to soothe the digestive tract lining and provide ingredients that support proper immune function and microbial balance.

Digestive Formula Supports:

- Bowel defense
- Digestion
- Regularity
- Lactose intolerance
- Immune System

Ingredients include:

- Probiotic Blend Bacillus coagulans, Lactobacillus acidophilus, Lactobacillus bulgaricus, Lactobacillus rhamnosus, Bifidobacterium breve, Bifidobacterium longum to support normal intestinal flora and regularity. Lactobacilli and Bifidobacteria support the small intestine and colon.*

Probiotics are healthy bacteria in the digestive tract and are believed to provide health benefits to humans when consumed.

Commonly claimed benefits of probiotics include:

- Healthy Gastro Intestinal Tract
- Immune System Function
- Skin Function
- Bowel Regularity
- Resistance to some Allergens
- Decreasing Pathogens in the body
- Protection of DNA

- Digestive Enzymes such as amylase, bromelain, lactase, lipase, protease and cellulase for better food digestion and nutrient absorption.
