

Protein Vitality Balance is formulated to provide specialized nutritional support for metabolic detoxification. It features a low-allergenic-potential rice protein base, which may be beneficial during times of increased food allergen exposure, and is enhanced with specific nutrients and high in antioxidants to provide well-rounded nutritional support for liver detoxification.*

Directions: Blend, shake, or briskly stir about 2 level scoops (44 grams) of Protein Vitality Balance into 8 fluid ounces of chilled water or juice twice daily or as directed by your healthcare practitioner. For highly sensitive individuals, consider reducing consumption to ½ to 1 scoop with 4 to 5 ounces of chilled water or juice twice daily during the first 3 to 4 days before starting a full daily dose.

Warning: Excess vitamin A intake may be toxic and may increase the risk of birth defects. Pregnant women and women who may become pregnant should not exceed 10,000 IU of preformed vitamin A (retinyl palmitate) per day.

This product is non-GMO & gluten free.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.

Contents sold by weight, not volume. Some settling may occur during shipping and handling. The amount of product contained in 2 scoops may be above or below 44 grams due to variations in handling and product density.
